

Blocked Pop-ups

Possible problem may be blocked pop-ups in your browser. To open the course you need to allow pop-ups first.

Chrome

1. On your computer, open Chrome.
2. At the top right, click More  > Settings.
3. At the bottom, click Advanced.
4. Under 'Privacy and security', click Site settings.
5. Click Pop-ups and redirects.
6. At the top, turn the setting to Allowed or Blocked.

At the top right, click More 

Open the list and select  Settings.

At the bottom, click Advanced.

Under 'Privacy and security', click Site settings.

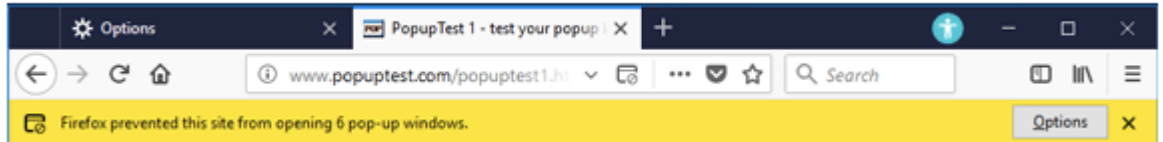

Click Pop-ups and redirects.

At the top, turn the setting to Allowed .

FireFox

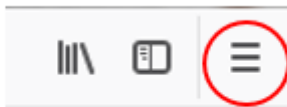

There are 2 possible cases:

1. When blocking a pop-up, Firefox displays an information bar.

When you click either the **Options** button in the info bar or the icon in the address bar select Allow/Block pop-ups for this site

2. Click the menu button  and choose **Options**.

Select the **Privacy & Security** panel.

Under the **Permissions** section, uncheck the box next to **Block pop-up windows** to disable the pop-up blocker altogether.

Internet Explorer

Click on the **Gear** icon, located in the upper right-hand corner of your browser window. When the drop-down menu appears, select **Internet options**.

Options interface should now be displayed, overlaying your browser window. Select the **Privacy** tab, if it is not already active. To disable IE pop-up blocker remove the check mark by clicking on it once.

Click „Apply”

Safari

1. Open Safari
1. Click Safari → Preferences
2. Select Websites at the top
3. Click Pop-up Windows on the left sidebar
4. Customize your pop-up preferences
